PROFESSIONAL SUMMAR

Results-driven Frontend Developer with close to a year of practical experience, focusing on React.js and Vue.js. Adept at translating design wireframes into interactive web applications, implementing performance enhancements, and working collaboratively across teams to achieve project milestones. Committed to continuous learning and incorporating the latest industry trends to create intuitive and visually appealing digital solutions.

PROFESSIONAL EXPERIENCE

NymbleUp Solutions, Mumbai — Frontend Developer OCT 2022 – JUL 2023

- Designed and implemented reusable components, optimizing development efficiency and ensuring consistent design.
- Created interactive table with advanced filters, enhancing data exploration and user experience.
- Integrated EChartsJS for trade deficit tracking, enabling informed decisions through dynamic visuals.
- Developed and launched company website using VueJS and Tailwindcss, resulting in a modern and user-friendly interface for user engagement.
